Range Rover Model Year 2010 Is Here

[Land Rover](#) has introduced Range Rover Model Year 2010 in India, which will be available at a starting price of Rs. 98.5 lakh (ex-showroom, Mumbai). The new model is the fifth in India from Land Rover's stable and will be powered by both petrol and diesel mills. Land Rover currently sells four models in the country, namely Discovery 4, Range Rover Sport and Range Rover and Freelander.
