Mahindra recently organised the [Mahindra Bolero](#) Mileage Marathon at Kochi. A total of 32 Bolero families participated in the event which was a special customer-centric initiative. The Mileage Marathon, covering a distance of approximately 58 kms, was a close contest with the first runner-up, Mr. James C K, clocking an average of 31.35kmpl, while the second runner-up, Mr. Jamseer T S, clocked an average of 28.79 kmpl. The winners received exciting prizes and all participants were entertained by a variety of special programs & events.

“The Mahindra Bolero Mileage Marathon in Kochi gave a clear idea on fuel efficiency of India’s No. 1 SUV. A testament to this is the winning mileage of 35.15kmpl clocked by Mr. Seby K B. The Bolero’s superior value proposition, style and rugged appeal coupled with our customer-centric approach to business have been major contributors to its success over the years,” Mahindra Auto Sector VP, Mr. Vivek Nayer said.
