Mahindra Launches Bolero Special Edition

Mahindra has launched a special edition variant of the Bolero. The Bolero Special Edition is powered by the same old 2523cc DI Turbo diesel engine (no CRDe motor, we wonder why), which produces 63hp of power and 180Nm of torque. Only 1000 units of the Mahindra Bolero Special Edition will be produced, making the model a limited edition run. The Special Edition is priced at Rs. 80,000/- premium over the regular Bolero and comes with 3-year standard warranty.

Mahindra Bolero Special Edition Features :-

- Front grille and bumper are tempered by a trendy wire mesh
- Blue vision headlamps
- Bolero Special Edition body graphics
- Sahara Beige and Mystique purple colours
- European luxury leather seats with special edition embroidered
- Glossy wood finish dashboard inserts
- Super intelligent GSM based Bolero Tele Alert System (BTAS) which warns against theft attempts and unlocks the vehicle through SMS
