Mahindra Launches Mini Truck Maxximo

Mahindra has announced that the [Maxximo](#) will now be available at Rs. 2.79 lakh (ex-showroom, Navi Mumbai). The first product to roll out from Mahindra's Chakan facility, the Maxximo was recently unveiled at the 10th Auto Expo 2010 held in New Delhi. The world's first mini-truck to be powered by a 2-cylinder CRDe engine with DOHC technology and 4 valves per cylinder, the Maxximo is also available with free maintenance for one year / 40,000 km – a first for the segment. The Maxximo is an ideal vehicle for small-cargo movement. The Maxximo has undergone rigorous test runs and is backed by Mahindra's service network.
