Facelifted New Mighty Muscular Scorpio Launched

Mahindra & Mahindra has launched its sports utility vehicle 'New Mighty Muscular Scorpio' at a price range of Rs 7.21 lakh to Rs 9.2 lakh. The Scorpio features the technologically advanced mHawk engine and also incorporates micro hybrid technology. The 2.2 litre advanced mHawk engine is now available on the Scorpio LX, SLE, VLX and VLX AT. The Scorpio VLX is the first car to be BC-IV compliant.

"Mahindra's ingenious approach to driving efficiencies and costs has enabled us to provide additional

customer value up to Rs 70,000. The new Scorpio has the ability to expand the market and appeal to a new set of customers," Mahindra & Mahindra Automotive Sector Chief of Operations Rajesh Jejurikar said.

The price range is Rs 7.21 lakh (LX) to Rs 9.2 lakh (VLX) ex-showroom Delhi, post significant price reductions ranging from Rs 34,000 to Rs 70,000. The new Muscular Scorpio gets two new colours - Mystique Purple and Toreador Red.
