Mahindra Provides 4 Scorpions To Assam Rifles

Assam Rifles car rally reaches Lucknow

LUCKNOW: Mahindra and Mahindra is now a part of the Assam Rifles' 175th anniversary celebrations. Four Mahindra Scorpios have been used in the 13-day non-competitive car rally "Blaze of Glory" organised by the Assam Rifles, which was flagged off in New Delhi on March 4.

In its second leg, this rally has now reached Lucknow via Agra. An M&M spokesperson said, "Assam Rifles is the largest home-land security force in the north and we are extremely proud to be associated with their 175th anniversary celebrations. The Mahindra Group's relationship with the armed forces of the country has grown stronger over time."

"The unique characteristics of Mahindra Scorpio—ruggedness, durability, power, depend-

Mahindra's relationship with the Indian Armed forces dates back to the time it began assembling Jeeps in India. As a continuation to this association and their solidarity towards the fighting forces, Mahindra is now a part of the Assam Rifles' 175th anniversary celebrations. 4 [Mahindra Scorpios](#) have been used in the 13-day non-competitive car rally "Blaze of Glory" organized by the Assam Rifles which was flagged off in New Delhi on March 4th by Shri Ajay Makan, Hon'ble Minister State Home Affairs. In its 2nd leg, this rally has now reached Lucknow via Agra and will be flagged-in at Imphal on March 16th enroute Varanasi-Buxar-Patna-Khagaria-Purnia-NJP-CoochBihar-Guwahati-Shillong and Dimapur.

"Assam Rifles is the largest Home Land Security Force in the North and we are extremely proud to be associated with their 175th anniversary celebrations. The Mahindra Group's relationship with the defence forces of India has grown stronger over time. The unique characteristics of Mahindra Scorpio - ruggedness, durability, power, dependability and the inherent ability to rule any terrain share an affinity with the inhospitable and demanding conditions where our fighting forces live. Our heartiest congratulations to Assam Rifles and the Indian Armed Forces," a Mahindra spokesperson said.
