Mahindra Scorpio Has Large Online Community

Mahindra recently announced that the Mighty Muscular Scorpio community on Facebook has crossed a significant milestone. The Scorpio's community has reached a massive fan-base of 1 lakh, making this community the largest online auto community in India. The Scorpio page on Facebook ([here](#)) is a great place for Scorpio owners and enthusiasts to communicate with each other and share their experiences. They post photos and videos of their Scorpio experiences and get the opportunity to participate in several exciting contests.
