Mahindra Scorpio EX Launched At Rs. 7.21 Lakhs

Mahindra has launched the Scorpio EX, which will be the new entry-level variant of the Scorpio. The Scorpio EX is powered by a m2DiCR motor which produces 75 BHP of power and 220 Nm of torque, which enables it to do a 0-60 kmph dash in 11.2 seconds. Priced at Rs.7.21 lakhs for BSIV variant (ex-showroom, Pune), the Scorpio EX delivers an ARAI certified mileage of 14 kmpl. The **Mahindra Scorpio EX** comes with Micro Hybrid technology, which allows it to switch the engine into the standby mode, when not required. The Scorpio EX features crash protection crumple zones and digital immobilizer. The Scorpio EX is available in four colours - Diamond White, Fiery Black, Rocky Beige and Mist Silver.

"At Mahindra, our endeavour has always been to offer the best-in-class products and this new offering from the Scorpio stable is no exception. With its easy drivability, great mileage and refined performance, I am sure that the Scorpio Ex will be an instant hit with young customers looking for an affordable entry point into the Scorpio franchise. An unmitigated success in the SUV segment since its launch, the Scorpio has kept up its momentum with constant up-gradations and new offerings," Mr. Vivek Nayer, Senior VP, Marketing, Automotive Division, Mahindra, said.
