Punjab Police Adds 150 Scorpio Getaways

Punjab Police have purchased 150 Mahindra Scorpio Getaways. Mahindra officials handed over keys to 30 Mahindra Scorpio Getaway SUV's to Mr. P S Gill, DGP, Punjab at a small ceremony in Chandigarh. 120 remaining SUV's will handed over soon. Powered by a 2.6L CRDe motor, the Scorpio Getaway produces 115 bhp of power at 3800 rpm.

"We are all set to induct 150 Mahindra Scorpions, of which 30 have been delivered and rest 120 will be delivered in days to come. We chose M&M Scorpio because it is a multi-utility vehicle, sturdy and durable. We were impressed by the on-road performance of the vehicle," Mr Gill said.
