Mahindra Launches Facelifted Xylo - Live From Event [Updated]

[singlepic id= 10883 w=540 h=375 float=center]

Mahindra has just launched the 2012 Xylo Facelift. The company has upgraded the Xylo with updates to both the interiors and the exteriors. The Mahindra Xylo now looks modern and sees some influence from the XUV500 to its exteriors. The Mahindra Xylo sports 50 new changes and features including five variants powered by three engine options including the Scorpio's mHawk engine. The 2012 Mahindra Xylo also boasts of a Voice Command Technology for Vehicle commands, enabling customers to control over thirty feature and actions.

The new Xylo will available in 5 variants – D2, D4, E4, E8 and E9 and will start at a price of Rs 7.37 lakhs (D2, BS4 ex-showroom Delhi). It will be available in 6 colours – Diamond White, Java Brown, Mist Silver, Fiery Black, Toreador Red and Rocky Beige. The interiors have undergone a upgrade too. The new variant E9 will be made available across India in a phased manner while other variants will be available at all personal Mahindra dealerships immediately.

MotorBeam.com

The Mahindra Xylo E9 debuts, which uses the Scorpio's engine, producing 120 BHP of power and 280 Nm of torque. The Xylo m-Hawk returns 14.02 kmpl and is mated to an all new 5-speed manual transmission. The rest of the variants (except the base variant) are powered by the same tried and test 2.5-litre mEagle engine which produces 112 BHP of power and 260 Nm of torque. This engine returns 13 kmpl. The base variant of the Xylo, which is targeted at the taxi market is powered by the mDI CRDe engine and produces 95 BHP of power and returns 14.95 kmpl.
