Mahindra South Africa, a subsidiary of the US\$ 6.7 billion Mahindra Group has launched the new multipurpose vehicle, Xylo. The XYLO range for the South African market consists of the luxury model, the E8, and the people mover, the E2.

"The Xylo symbolises the creation of a completely new vehicle platform in the Mahindra stable. The vehicle is a truly global people carrier and South Africa is a strategic market for Mahindra's overall globalization strategy," said Dr. Pawan Goenka, president, Automotive Sector, Mahindra & Mahindra Ltd.
