Mahindra To Launch Appalachian In U.S

Global Vehicles USA, the distributor for Indian auto maker Mahindra & Mahindra is in the process of launching Mahindras first vehicles in the United States. Beginning later this year, Global Vehicles will launch two- and four-door diesel-powered pickup trucks, in both two-wheel and four-wheel-drive versions. These are rugged vehicles, compact in size with the payload and towing capacity of larger pickups, with the fuel economy of a small automobile. About a year later, a diesel-powered SUV, with similar characteristics, will follow the pickup.
