Maruti Suzuki has launched a new variant of the Alto – the limited edition Alto Flash. The Alto Flash is loaded with enhanced features and stylised aesthetics. For customer comfort, it has front power windows, designer graphics and art leather seat covers. The body-coloured feather-touch mirror, door handles, bumpers and body moulding are other attractions.

Although a limited edition, Alto Flash is priced in the same ex-showroom price range as that of the Alto. Alto Flash is being offered with free in-built accessories worth Rs. 18,500/- The car comes in five colours, namely silky silver, pearl silver, blue blaze, fire brick red and white.
