2012 Maruti Swift DZire Brochure

Maruti Suzuki will be launching the new Swift DZire today. The 2012 Swift DZire measures under 4 meters in length and uses the same platform as the new Swift. The prices are not expected to decrease even though the company saves in excise duties due to the DZire being classified as a small car. MotorBeam reader Aalok Raj has send us the brochure of the new DZire, you can check it out below.
