# Maruti Suzuki Launches SX4 Royale

Maruti Suzuki has launched two new variants (SX4 Royale VXi, SX4 Royale ZXi) of the SX4 in Royale trim. The fully-loaded VXi variant now features body coloured door moulding with silver finished handles, ABS with EBD, Dual SRS airbags, fog lamps, Alloy Wheels, Audio controls on steering wheel and Automatic climate control system. The ZXi variant gets leather clad steering wheel, gear knob and seat covers. There are no mechanical changes to the car what so ever and the SX4 continues to be powered by the same 1.6L heart. The Maruti SX4 Royale is available in seven shades with two new shades for the Royale – Oyster Blue and French Eclair.
