# **Maruti SX4 Diesel Launch By August**

[Maruti Suzuki is on a engine upgrade](#) spree and lined up is the diesel variant of the [Maruti SX4](#) by August. The SX4 could be powered by 1.3 litre or 1.6-litre DDIS engine. However the obesity of the SX4 will make the latter engine more favourable. Fiat is also planning to offer a more powerful [1.6 litre multijet diesel powerplant in the Linea](#) in the next few months. We have to wait and watch which engine Maruti chooses. We think it will be the 1.3 litre with VGT.
