Maruti To Launch New Wagon R In April

Maruti Suzuki will finally launch the much awaited Wagon R facelift in April this year. The new Wagon R will sport the 1.0 liter K-Series engine which does duty in the A-Star. This engine is not only fuel efficient but more powerful too. Along with the engine upgrade, the company will also facelift the [Wagon R](#) with new exteriors and interiors (similar to what Botox does to you). Prices are expected to start at 3.4 lakhs (thanks to the increase in excise duty).
