# **HAMANN Volcano Mercedes SLR McLaren**

The HAMANN Volcano Mercedes SLR McLaren is powered by a 5.4 liters V8 engine that outputs 626 hp and 780 Nm of torque. The modifications to the engine helps the HAMANN Volcano Mercedes SLR McLaren to get from 0 to 100 kmph in 3.6 seconds and up to a top speed of 348 kmph. This is 14 kmph faster than the standard version and 11 kmph faster than the [SLR 722](#) special edition.

The HAMANN Volcano Mercedes SLR McLaren gets front and rear wing extensions, new side skirt attachments and sheathings, a new bonnet and a rear diffuser. The body kit reduces lift and gives the car better aerodynamics. HAMANN also offers a special paint job for the Volcano in either aluminum/chrome or white/matte black. The HAMANN Volcano rides on 21-inch EDITION RACE wheels.
