Auto Hangar has opened its new showroom at Prabhadevi in Mumbai, which is also the largest Mercedes-Benz showroom in the city. Measuring over 6000 square feet in area, the new Mercedes showroom features the complete line-up of Mercedes-Benz cars including the C-Class, E-Class (saloon, coupe and cabriolet), M-Class, GL-Class, SLK, CLS, S-Class, G55 and the jaw dropping SLS AMG. The Mercedes cycle is also present at the showroom, along with a dedicated section for accessories. Auto Hangar plans to complement the showroom with a 10,000 square feet workshop to service the three-pointed range of cars next year. The showroom took lot of time and effort to be made and work was carried out frantically over the past few days.
