Mercedes India Launches Special Edition C-Class

Mercedes India has launched a special edition of the [Mercedes C-Class](#). Only 60 units of the special edition will be sold. The new sporty Special Edition C-Class will be offered at Rs. 28.46 Lakhs (C200 Kompressor) and Rs. 31.30 Lakhs (C 220 CDI). All prices ex-showroom, Delhi. The special edition is available in three colours namely Carneol Red, Obsidian Black and Calcite White.

The Special Edition C-Class gets the Avantgarde styling package with the Mercedes-Benz logo positioned on the radiator grille. The Avantgarde styling package includes re-designed air intake sills, chrome surrounds on the fog lamps, the aerodynamic enhancements of the front apron spoiler, roof spoiler, rear apron spoiler and the rear spoiler lip to further accentuate the sporty stance of the car. The Special Edition C-Class features the 17-inch light-alloy rims with the exclusive 5 twin-spoke design. The Special Edition C-Class also gets the Universal Media Interface which allows customers to connect to mobile entertainment and communication devices such as USB-based MP3 players, music mobiles, iPod or the iPhone to the on-board audio system.
