In India Mercedes-Benz has always been admired as a premium automobile manufacturer. The status symbol which a Mercedes car commands in India specially in the semi-urban areas is still something unmatched by any other car brand. Thus buying a Mercedes-Benz can change people's perception about you. One of the greatest Mercedes of all times is undoubtedly the W124 E-Class. The car known for its tank like quality is a collectors favourite and can be yours for anything between Rs. 3-6 lakhs. Those in the know can tell how good the W124 really is and there are quite a few for sale. You can even get one from a Mercedes-Benz authorised dealer which saves you the headache of checking the car thoroughly as that is already taken care of. So are you a fan of old Mercedes cars? We surely are!
