New Mercedes E Class

Finally the next generation E Class has been revealed. Autobild has published the first pictures of the new E-Class without camouflage. The new E Class should be launched in March 2009. Mercedes-Benz new strategy of making all its cars look like Mini S Class does not quite convince me. The S Class looks like a mini Maybach. The C Class a mini S Class and now the E Class a hybrid of the C and S. Who said only Chris Bangle ruins car design?
