Mercedes To Launch M-Class Grand

Mercedes-Benz will launch a new edition of the M-class priced at a premium of Rs. 5 lakhs over the regular M. The new version will be called the 'Grand Edition' and will feature a new exterior and interior styling package. These new features on the Grand M-Class will include LED daytime running lights, 19-inch alloy wheels, dark-tinted headlamps, thermal insulation glass, AMG radiator grille and underguards, and aluminium roof rails for the exterior and new wood trim parts, ambient lighting and Artico man-made leather upholstery for the inside.
