Mitsubishi Cedia Sports

Mitsubishi had recently upgraded the Cedia with a few more features. The [Cedia Sports](#) looks absolutely delicious in yellow and is very value for money. Sure it does not have as much go as it has the show but when it comes to handling, the Cedia is the king. Some magazines have been wrongly quoting the Cedia to have a MIVEC engine but sigh!

Having all the right bits like OZ wheels, a fantastic steering wheel, carbon fiber look alike dashboard, touchscreen audio system, EVO underpinnings, the only thing the Cedia needs is a turbo!
