2010 Mitsubishi Outlander Gets A Facelift

Mitsubishi India has facelifted the [Outlander](#) giving it the front of the Lancer Evo. Changes include new headlamp cluster, new front grille, reshaped bumper and hood, new roof rails and door mirrors with integrated turn lights. No changes have been made to the rear or to the 2.4-liter engine which develops 167bhp of power and a 23kgm of torque. The engine is mated to a 6-speed CVT gearbox. As usual the company has reduced the price, this time by Rs. 60,000/- to Rs 23.58 lakh (OTR, Mumbai). Mitsubishi should seriously shut shop and head back to its headquarters in Japan.
