# Mitsubishi To Hike Outlander Price

Mitsubishi India will increase the price of the Outlander by about 2% from September, withdrawing the introductory price on the car. The introductory price for the 2.4L Bharat Stage IV petrol engine SUV was Rs 19.95 lakh (ex-showroom). The company had reduced price of the [2010 Outlander](#) by Rs 70,000/- and sold 150 units last month compared to 35-40 units of the old version.
