Nissan India To Launch 370Z In 2010

Nissan India will launch the new [370Z](#) sports car in India as part of its strategy to offer more cars to Indian customers. The 370Z will be launched at the Auto Expo in January next year. The pricing is expected to be high due to the car being a CBU. We would have loved if the [Nissan GTR](#) would have been launched but something is better than nothing, right!
