CarWale and Inorbit Malls have organised Vintage Wheels 2011, an annual event which showcases timeless classics for two weeks at Inorbit Malad and Vashi. This year over 40 cars have participated in the drive to Lonavla including the 1929 Fiat Millecento , 1932 Lancia, 1934 Austin-7, Ford Jeep-1942, 1946 Volkswagen Beetle, 1948 Wolseley, 1951 Cadillac, 1955 Austin 12, 1955 Fiat, 1955 Dodge Kingsway Custom, 1959 Dodge Custom Royal, 1960 Rover P5, 1961 Karmann Ghia, 1964 Sunbeam Rapiet, 1965 Packard Chipper, 1966 Volkswagen Beetle, 1966 Mercedes 2388 and 1971 Mercedes Benz. City dwellers had a chance to ogle at such beauties early Sunday morning and Vivek Manjarekar from the MotorBeam team was present there snapping away to glory (check out the gallery above for more than 65 pictures).

"The event was supposed to flag off early but it didn't till 10.30am. It was flagged off by Commissioner of Police, Navi Mumbai. It wasn't that crowded. I heard people comment that the cars on display last year were better and more in quantity this time. The Ford Mustang GT was the pick of the lot with it's ROARING sound attracting alot of crowd. Car No. 2 had to be pushed a few times by people to start. Each of those cars were flagged off with people clapping and cheering for them. Not much crowd really cause it was a Sunday morning and people were not there. I can say it was sort of dull in terms of crowd pulling" - **Vivek Manjarekar**.
