Porsche Launches Panamera In India

Precision Cars the official importer of Porsche in the country has launched the Panamera. It is already selling the 911, Cayenne, Boxster and Cayman in India. The [Porsche Panamera](#) is available in three variants - S, 4S and Turbo and is capable of hitting a ton in just 4.3 seconds. Porsche also plans to open 3 new showrooms with full service support in Chennai, Bangalore and Ludhiana by next year taking the total dealerships to 6. Though the car has a lot of tech, we would have loved if it looked decently good.

"Panamera will increase our volumes in terms of sales in the country. It is evident from the fact that the dealers have 13 confirmed orders of Panamera before it arrived in the market," Precision Cars' MD Rod Wallace said. "Precision has ordered 50 units of Panamera to sell in the country over the next nine-months," he added.
