The budget wasn't positive for the auto industry with all manufacturers announcing price hikes, however Mahindra-Renault has just announced discounts of Rs. 50,000/- on the Logan Petrol. Although people assume these discounts are from dealers looking to clear stocks but the truth is that these discounts are straight from the company (which can be seen on their website). The diesel variant is the more popular (if you can say popular and Logan in the same breath) one and sees a discount of Rs. 18,000/- With just 4,981 units of the [Renault Logan](#) being sold in the April 2009 - February 2010 period, these discounts are set to continue for the times to come.
