Mahindra Renault Launches New Logan Variant Play

Mahindra-Renault never fail to impress us. They have launched yet another variant of the [Renault Logan](#) which makes the total number of variants of the car reach in excess of 15. This time they decided to call the new variant Play which is available in both petrol (1.4 GLX) and diesel (1.5 DLX) options. The new Logan Play will be available at 35 Mahindra Renault dealerships across India in phase 1 of the launch, followed by presence in all 146 dealerships. The Logan Play is available in black and white colour options. The 1.4 GLX costs Rs. 5,41,850/- and the 1.5 DLX costs 6,68,649/- (all prices ex-showroom, Mumbai).

Features of the Mahindra Renault Logan Play are as follows :-

- USB Enabled Music System
- Black Coloured Centre Console
- Leather Upholstery
- Driver Information System
- Parking Sensor
- Alloy Wheels
- Body Graphics
- Chrome Muffler Cutter
- Lip Spoiler
