Mahindra-Renault To Launch Logan Tourer At Auto Expo

The rate at which Mahindra-Renault launch a new version of the *Logan* is inversely proportional to its sales. At the 2010 Auto Expo, the company plans to launch yet another version of the [Logan](#) dubbed the Logan Tourer. The Logan Tourer will be available in both petrol and diesel variants and will be priced upwards of Rs 5.5 lakh. The Logan Tourer has been conceptualised and co-branded in collaboration with baggage maker VIP.
