Renault At The 2010 Delhi Auto Expo

[Renault](#) was there to prove a point at the 10th Auto Expo. They wanted to showcase to Indians that they can build better looking cars than the ugly Logan. With the theme 'Drive the change,' the French automaker had the Renault Formula 1 car present along with the Megane, Megane Trophy, Laguna, Logan, Fluence and Koleos (read more [here](#)) but what drew the most attention was the [Twizy ZE concept](#). We seriously wonder why Nissan took a back seat at the Expo, when their sister concern was there happily flaunting their future car line up. Au revoir.
