Skoda India will launch the much awaited [new Skoda Superb](#) on Tuesday, the 10th of March. The new Superb is based on the Volkswagen Passat and gets a host of new features. The new Superb gets a 1.8L turbocharged petrol engine which produces 160bhp of power and 255NM of torque. The gearbox is a 7 speed DSG which changes gears faster than a manual gearbox. The new Skoda Superb is bigger than the current Superb it replaces.

The new Superb gets parking assistant system, ABS, EBD, TCS, 6 airbags, electronic air conditioning and lots more. Skoda calls the new Superb a seven star experience. Check out the new Superbs India site [here](#).
