Skoda India To Showcase Yeti At Expo

Skoda India will be getting the [Yeti](#) SUV at the 2010 Auto Expo. However there is no confirmation whether Skoda will be launching the car or just showcasing it to gauge interest. We had posted 11 months back about the launch of the Yeti [here](#). If Skoda manage to price the SUV sensibly (which mostly it won't, going by Skoda India's pricing trend), the Yeti can create a niche for itself.
