New Indica Vista Quadrajet Terra Variant Launched

Tata Motors has launched a new variant of the [Indica Vista Quadrajet](#). The new variant Terra is priced at Rs 4,34,000 (ex-showroom, Mumbai) and comes with air conditioning, heater, power steering, body colour bumpers and full wheel covers. The Aqua variant seems to have lost left side rear view mirror, front power windows, central locking and rear defogger to make Terra, the base variant of the Indica Vista diesel range. The Indica Vista Quadrajet Terra is available in a new mint white colour, confirming that the car is targeted towards the Taxi segment.
