Tata Indica Vista Limited Edition Launched

Tata Motors celebrates the 10th anniversary of the launch of the Indica on December 30, 2008. To mark this milestone, a 10th Anniversary Limited Edition Indica Vista is being launched.

The car comes with an all new colour combination – Porcelain White with a Black roof. The exteriors wear alloy wheels, gold finished grill garnish, golden emblems & mascots and a specially designed number plate. The interiors have a more premium look and incorporate a new integrated music system, new seat fabrics in a double stitched pattern and subtle touches all around.

In the first decade, close to 940,000 Indicas have been produced and the platform has spawned off close to 1.2 million vehicles. The Indica has remained a bestseller throughout in the industry figuring in the top 3 selling list of cars for most of the years. It achieved a peak sale of 144,690 in 2006-07 and the new generation Indica Vista was launched in August this year to a continuing pull even in today's depressed market conditions.

The Anniversary Quadrajel Diesel Indica Vista is priced at Rs. 504,045 (ex-showroom Delhi) and the Anniversary Safire Petrol Indica Vista is priced at Rs. 415,263 (ex-showroom Delhi).
