Tata Launches Indica Vista Range In SA

Though a bit delayed than what was [committed earlier](#), the [Tata Indica](#) Vista range has finally seen the light in South Africa. The car has been launched in 3 variants - Ina, Aura and Ignis. Tata Motors had teased us with the [Indica Vista Ignis](#) but it seems the car was for export markets and not for India. The Indica Vista range in South Africa is powered by two petrol powerplants with a diesel on the cards. The 1.4L 8 Valve FIRE Fiat engine is rated at 73 bhp and 114 NM. The Ignis gets a 16 Valve head giving a increased output of 90 bhp and 116NM. All the engines are mated to a 5 speed manual gearbox.

All the models have AC, power steering, height adjustable steering, folding rear seats, child locks, rear window wash/wipe, rear demister and a third brake light. The Aura gets power windows and key fob-controlled central locking over the Ina whereas the Ignis comes with dual front airbags, ABS, powered mirrors, higher-grade seats and a four-speaker audio system with Bluetooth and USB connectivity and remote controls on a four-spoked steering wheel.

Tata Indica Vista South Africa Price :-

- Tata Indica Vista Ina – R119 900
- Tata Indica Vista Aura – R127 900
- Tata Indica Vista Ignis – R139 900
