New Tata Indigo CS Launch Soon

IT ISN'T WRONG TO ASK FOR TOO MUCH.

PRESENTING THE MOST COMPACT SEDAN IN THE WORLD.

Tata Motors has facelifted the Indigo CS with added features and minor changes to the exteriors as well as interiors. The new Indigo CS will be launched soon as the car has arrived at the dealership.

The front of the new Indigo CS is similar to the Indigo with changes to the front grille, bumper and headlamps. The rear view mirrors get chrome strip on them. Beige interiors are now standard in the Indigo CS. Added features in the new Indigo CS include an analogue clock, four door power windows and rear defogger.
