# **Tata Indigo e-CS Returns 25 KMPL**

Tata Motors has launched the Indigo e-CS VX, which delivers an ARAI certified mileage of 25 kmpl. The most fuel efficient sedan in the country is now powered by the new CR4 Common Rail Diesel engine. The 1396 cc motor produces 70 PS of power at 4000 RPM and 140 NM of torque between 1800-3000 RPM. The company is said to have improved the gear ratios and reduced the weight of the car by close to 10 kgs. The Tata Indigo e-CS VX is also available with a petrol heart. Both the engines are compliant with BSIV emission norms.

The Tata Indigo e-CS VX is priced at Rs. 5.8 lakhs for the CR4 diesel engine while the e-CS GVX is priced at Rs. 4.97 lakhs (all prices ex-showroom, Delhi), for the MPFi petrol engine. Tata Motors offers 18 months, unlimited mileage warranty on the e-CS. The Indigo e-CS VX features 14-inch alloys, turn indicators on outside rear view mirrors, satin finish front grille and headlamps, chrome inserts on the rub rails, dual-tone beige interiors, electrically operated outside rear view mirrors, wood finish center console, rear seat center armrest, ABS, keyless entry, Bluetooth connectivity, power steering, power windows and a new instrument cluster with chrome rings.
