Tata Motors To Launch Limited Edition Indigo CS

In a bid to spice things up for the worlds cheapest sedan, Tata Motors will launch a Limited Edition variant of the of Indigo CS this festive season. The [Tata Indigo](#) CS Limited Edition will get new headlamps with blinkers, turn indicators on rear view mirrors, new wooden finish centre console, leather wrapped steering wheel, new door handle caps, sport pedals and six way power electric seats. The limited edition variant will be available in Procelain White with dark chrome coloured badges which seems quite similar to the [Limited Edition Indica Vista](#).
