Tata Motors Provides Transport Solution

Tata Motors is happy to announce that it is providing complete transport solution to the Queen's Baton Relay, as part of Commonwealth Games 2010. The Baton came from Pakistan today at the Wagah Border. On its 100-day national tour, the baton will visit the capital of each state and union territory, and many other cities along the way, covering more than 20,000 km. By the end of its journey, the baton will have traversed over 190,000 km in 340 days, making the Queen's Baton Relay 2010 Delhi one of the longest relays in the history of the Commonwealth Games. As part of transport solution, Tata Motors is supporting with 17 Sumo Grandes, one Land Rover Discovery 4, three Buses, three covered body trucks and one media vehicle. Tata Motors is also providing fuel, drivers and routine maintenance for these vehicles.
