Tata Motors' Pantnagar facility has sent the first consignment of the [Tata Nano](#) to Hyderabad. A total of 50 Nano cars were sent to Sanatnagar railway station of Hyderabad from Haldi Road station near Pantnagar through high-capacity BPU coaches. Along with 50 Nanos, 34 Tata magic vans were also sent.

Railway sources said Izatnagar division of railways has earned a revenue of Rs 8,71,145 from the loading of first consignment of Nano. Tata Motors had demanded specially designed coaches, known as NMG coaches in railway parlance, from the railway board for smooth transport of Nano but instead they provided them high-capacity BPU coaches in which the small cars were loaded.
