Tata Motors Celebrate Nano's First Anniversary

Tata Motors is celebrating the first anniversary of the Nano. Albeit delayed (due to the fire on the Nano), the company is all abuzz about the [Nano](#) turning one. Other than a chance to wish the cheapest car Happy Birthday, you can also log in some Nano miles [here](#).

You can also find this article published on [Tata Motors Celebrate Nano's First Anniversary](#), and on the tag pages [Tata Nano](#).
