Tata Nano Bookings To Re-Open In May

People who missed a chance to book their Nano first/last time around can now soon book the worlds cheapest car. Tata Motors is set to re-open the bookings of the Nano once the mother plant in Sanand, Gujarat commences production of the car. However don't worry if you are not in a position to book your [Tata Nano](#) in May, because the bookings of the Nano will be open forever and the dealers will also start offering test drives once production becomes stable.
