Teaser - We Drove This Some Time Back

We drove this amazing drivers car some time back. Make a guess and let us know what you think could be this car. We know the picture is quite a tease. You can see nothing, yet you can see everything =p.

Update 1 :-

- It has a V6 engine
- Its not a SUV
- And its not a BMW 325i, the image name was there to confuse you guys :)

Update 2 :-

- It has a auto box
- It runs on petrol
- Its not a Hyundai Sonata either

Update 3 :-

- The car runs on Michelins
- It doesn't have a handbrake

Update 4 :-

This is by far the biggest clue.

Update 5 :-

And the car is.....

Deepak Sasi was close but Naveen got it spot on. Good going Naveen. Review coming tomorrow morning at 9.00

AM.
