Following its legacy of 'Customer First', [Toyota India](#) is organizing 'Rain Gain' – a Monsoon Campaign for 30 days at all dealerships across the country starting from June 01, 2009. Though monsoons help the mercury drop by a few degrees and bring relief from the hot and humid summers, it also brings along with it waterlogged streets, low visibility, moisture and humidity to name a few concerns. Demanding special attention and care for our cars.

"Events of this kind will provide us an opportunity to serve our privileged customers ensuring their safety, comfort and trouble-free journey. Further, activities of this kind help us to be in constant touch with our customers and would be instrumental in strengthening our relationship with them," Mr. Sandeep Singh, DMD, Toyota India said.

With the 'Rain Gain' campaign, Toyota is inviting its customers to benefit from the free exclusive 30-Points Monsoon Safety Checkup for their Toyota vehicles during the stipulated period. The monsoon checkup will look after periodic and general maintenance including wiper blades, wiper motor, brake, electrical and other related parts.

To ensure a safe and enjoyable driving experience during the monsoon, Toyota advises its customers to avail this offer. The campaign also offers numerous packages along with lucky draw prizes and assured gifts, making it all the more exciting. Participants stand a chance to win an unbelievable '2 Years Toyota Quality Service for Just Re. 1'.
