Toyota To Recall 82000 Vehicles In Japan

[Toyota](#) seems to be on a recall spree, with the latest recall of 82226 units of the Vitz (Yaris) in Japan due to a power window switch problem that could cause a fire. The recall is for Vitz manufactured in the first eight months of 2005. One case of fire has been reported along with 32 problems regarding the power window switch on the driver's door.
