[Toyota India](#) has announced the expansion of 'Toyota U Trust'. Set to facilitate sales, purchase and exchange of Toyota and non-Toyota cars, 'Toyota U Trust' aims to offer potential customers an opportunity to exchange their old cars of any make for a brand new Toyota, allowing them an opportunity to upgrade. It will also cater to customers who want to exchange their cars for competitively priced used Toyota cars. Customers will also be provided with a wide range of value added services, including finance options at the 'Toyota U Trust' outlets. 'Toyota U Trust' was launched in Chennai, Bangalore, New Delhi and Mumbai, as a pilot project in 2007-08.

Customers are eligible to obtain certification for the Toyota vehicles they purchase through 'Toyota U Trust', which are eligible for warranty as well. The special warranty booklet for certified Toyota cars will come with a warranty up to 1 year/15,000 km. In addition to this, the cars can get up to three labour free services at Toyota dealerships. Warranty is provided on the engine and gearbox/driveline of all certified Toyota cars, across the country at all Toyota dealerships. The U Trust website has been launched to facilitate registration, test drive booking, vehicle booking and easy access to information on vehicle history and stock availability etc.
