Toyota To Launch Fortuner In October

The long due Toyota Fortuner is finally being launched by Toyota India in October. The Fortuner will come in two variants. The automatic version will follow in later with all-wheel drive. The Fortuner will be priced between Rs 16-18 lakhs.[important]The engine will be the 3.0 litre diesel with 161 bhp and 4-wheel drive.[important]

The Fortuner will surely put the sales chart on fire with the pricing strategy that Toyota is planning to launch the SUV at. Its cheaper then the Outlander and will surely be a big hit among the SUV lovers.
